

Nestled on the Bay, in Melbourne's South East, Braeside Brewing Co is an independently owned brewery and eatery. Having grown up in the area, we are excited to be finally serving our community- it has been a long-time coming! We provide a relaxed and comfortable space to share a beverage and bite in a family-friendly atmosphere. Collectively, the team brings +40 years of experience in the food & beverage industry and we are delighted to be showcasing our creative range of craft beers. Accompanying your beers, is a selection of fresh wood-fired pizzas and tempting bar menu. Additionally, our spirits and wines are produced locally to complete your experience.

We are perfectly located, with public transport right at our doorstep and ample parking available. Braeside Brewing is a great option for your next function. The large warehouse and outdoor area can cater for up to 80 people, providing great flexibility for any event. We can customise drink and food packages to meet your needs and dietary requirements.
